### How to view your coverage card:

- From the home screen click on “**My ePackage**” on the left hand menu.
- Click on **eCard** to view your coverage card.
- Save the card to your phone or print it and carry it with you.

The screenshot shows the Cowan UHIP member portal interface. On the left, a navigation menu includes 'Submit a claim', 'Home', 'My Account', 'Claims', 'eStatements', 'eProviders', 'My ePackage' (highlighted with a red box), 'Group Benefit Statement', 'Billing Statement', and 'Booklet'. The main content area features a 'My ePackage' header with a background image of a desk and glasses. Below this, there is a section for 'eCard' with a red box around the 'eCard' link. A 'View All' link is also visible. At the bottom of the main content area, there is a note about uploading forms and documents in various formats (XLS, XLSX, DOC, DOCX, PDF, JPEG, and PNG).

Present your eCard to your health care provider.
